- GRAND TOTAL** \$ _____

This simple exercise is designed for you to do individually, with your family, or group. The fact is that most of us in America live with excess and consume more than we need while billions in the world live without. Billions do not have the basic needs of survival and a simple quality of life. Will you be a blessing? We are blessed and we should be a blessings to all nations of the world.

Be a Blessing!

"I will bless you and make your name famous, and you will be a blessing to many others. ...and the entire world will be blessed because of you." Gen 12:2-3

"If anyone has material possessions and sees his brother in need but has no pity on him, how can the love of God be in him?" John 3:17

After you total up the balance, send the amount to ServLife and help serve life to millions who deserve a chance to live it.

1.3 billion people in the world live on less than \$1 a day.

In the last decade, more than 2 million children have been killed and 6 million injured or disabled in armed conflicts.

Every day, 30,500 children under five die, mainly from prevention causes.

Worldwide, one in every five persons lives in poverty.
